DISCLAIMERS

IMPORTANT: Please follow installation and wiring instructions exactly as outlined to ensure safety. We recommend installation by solar professionals & electricians to ensure adherence to relevant electrical codes. We have made every reasonable effort to ensure the accuracy of the instructions in this manual, but Solar Online Ltd does not guarantee that the information is error free, nor do we make any other representation, warranty or guarantee that the information is accurate, correct, reliable or current.

DISCLAIMER: This kit has been engineered for use in home applications. Any variance by the end-user is solely of their own discretion. Solar Online Ltd. assumes no responsibility for improper installation in accordance with any laws and regulations governing: cottage, residential or commercial applications. Solar Online Ltd disclaims liability for any direct, indirect or incidental damages caused by, or in case of, installation not performed following the instructions and cautions in this manual. Solar Online Ltd will refuse requests for exchanges or returns, resulting from the purchase and installation of items which do not comply with local codes. To avoid such concerns Solar Online Ltd recommends installation by a professional electrician or solar installation technician. Examples that are shown within this manual are for illustrative purposes only.
